1. **THE BULLETIN BLANK SPELLER.**—This contains 40 pages, octavo size, and is bound in *Stiff Covers*, so that it may be written in when laid upon the knee. It is ruled for 70 lessons of 25 words each, with additional pages for misspelled words. It also contains rules for spelling, lists of misspelled words, etc. Of its general character and utility, we need only say that it was prepared by Principal H. B. Buckham, of the Buffalo State Normal School. At his desire, the price has been made less than one-half the usual charge for books of such a size, and we confidently rely upon an extensive sale in every county of the State. Price, 15 cts. each; \$10.00 per hundred, *net*.

2. **THE BULLETIN COMPOSITION BOOK.**—This is similar to the above, and prepared by the same author. It is ruled for correction by a system of time-saving marks, each of which points out a particular fault. Price as above, 15 cts. each; \$10.00 per hundred, *net*.

3. **THE BULLETIN WRITING PAD.**—We sold Ten Thousand of these last term, sending them to Adelphi Academy, Brooklyn; St. Lawrence University; the Buffalo Normal School and to every part of the State. Each pad contains 96 leaves, 192 pages, $8\frac{1}{2}$ in. by 6. In lots of 500, a special back will be printed, when desired, giving the name of the school, regulations, etc. Price, \$6.00 per hundred, *net*.

4. **THE BULLETIN SCHOOL RULER.**—These are one foot long, one inch wide, printed on manilla tag-board (or 6 inches long, 1 inch wide, on very heavy cardboard, as preferred), with inches and metres on one side, and an immense amount of statistical information on the other. Price, 3 cts. each; \$1.00 per hundred.

6. **THE BULLETIN CLASS REGISTER.**—For several years, one thousand of these registers, designed by Supt. Edward Smith, have been used annually in the Public Schools of Syracuse, no other kind being employed for any purpose whatever. Each one gives a daily register of 360 pupils for 20 weeks, or of 180 pupils for 40 weeks, or of 90 pupils for 80 weeks, etc. It is the simplest, neatest, and cheapest Class Register made. Price, 25 cts. each.

7. **THE INSTITUTE SONG BUDGET, ENLARGED EDITION.**—Nineteen thousand copies of this book having been sold, a new edition is now ready, containing *one-half more* than former editions, but sold at the same price. It now contains 72 pages, 107 songs, 5 full-page and many smaller illustrations. Price, 15 cts. each; \$10.00 per hundred, *net*.

THE REGENTS' QUESTIONS.

Since 1866 the Regents of the State of New York have held examinations three times a year in all the Academies and Academic Departments of the Union Schools, granting certificates to such pupils as pass satisfactorily, and apportioning upon these certificates a large sum of money among the schools of the State. As pupils begin the study of the higher branches after passing this examination, the questions are made to embrace all that is *practical* in the above branches. In all these 6,000 questions not a single *unimportant* or "catch" question can be found. These questions have been published in one neatly bound volume, and separately in pamphlet form. They are now used as text-books in many of the leading schools of the country. Cornell University, recognizing their practical character, now admits, without further examination upon these subjects, pupils who have passed an examination upon these questions.

The following TEN EDITIONS are now published:

1. The Regents' Questions in Arithmetic, Geography, Grammar and Spelling, complete, with Keys to the Arithmetic, Geography and Grammar Questions, and portrait of Chancellor Pruyn, 16mo, cloth.....\$2.00
2. The Regents' Questions in Arithmetic, Geography, Grammar and Spelling, complete, cloth..... 1.00

*Authorities differ regarding the height of Popocatepetl and St. Elias, the difference arising from the absence of accurate measurements. We think the Regents allowed St. Elias, but its height has never been ascertained.

(a) 629 and 635. A variety of answers must be allowed to these questions, as authorities differ regarding the number of statute miles to a degree. No great degree of accuracy could be expected when the word "about" is used in one question, and the figures are not accurately stated in either.

BALTIMORE, Feb. 10, 1872.

DEAR FATHER:—

I have returned from Washington, where I spent two days very pleasantly. I visited the Capitol, and saw Mr. Brown's cousin, Charles Sumner, who is, you know, one of the senators from Massachusetts. I also saw President Grant, and many other distinguished men, whom I have not time to mention.

Is mother well? What did John get from Santa Claus? Has Maria finished arithmetic?

This is rough paper, bad ink, and O what a pen !

In haste, good bye.

Your affectionate son,

JOHN KENNEDY.

A (52) *pair* of (53) *reins* is a (54) *necessary* part of a (55) *harness*.

We (56) *hear* that the (57) *steamboat* (58) *fare* has been (59) *increased*, and the (60) *proposed* (61) *pier* will not be (62) *built* this (63) *season*.

O (64) *dear* ! what a (65) *crowd* of (66) *people* I have (67) *seen* at the (68) *fair*.

The (69) *stars* in (70) *their* (71) *courses* (72) *fought* (73) *against* Sisera.

A (74) *deer's* (75) *meat* is called (76) *venison*.

(77) *Pear* (78) *trees* do not (79) *flourish* in (80) *some* (81) *localities*.

A (82) *beautiful* (83) *scene* was (84) *sketched* upon (85) *canvass* not less than (86) *eleven* (87) *feet* in (88) *height*.

It was (89) *meet* that we (90) *should* make (91) *merry*.

(92) *Leaven* is (93) *another* name for (94) *yeast*.

There are (95) *quite* (96) *too* (97) *many* poor (98) *readers* and (99) *spellers* in our (100) *schools*.

Examination XI. Feb. 17, 1870.

(11:00 A. M.—12:00 M.)

“The (1) *value* of (2) *written* (3) *exercises* in (4) *mastering* the (5) *orthography* of the (6) *language* is (7) *universally* (8) *conceded*. (9) *They* are of no less (10) *importance*, (11) *considered* as a (12) *means* of (13) *making* the pupil (14) *familiar* by (15) *practice* with the forms of language, and (16) *giving* him (17) *facility* in the (18) *mechanical* part of (19) *composition* as well as (20) *affording* the (21) *very* best (22) *drill* in (23) *punctuation*, the (24) *use* of (25) *capitals*, etc.

The five (26) *senses* are (27) *hearing*, (28) *seeing*, (29) *smelling*, (30) *tasting*, and (31) *feeling*.

Then shall the lame man (32) *leap* as a (33) *hart*, and the (34) *tongue* of the (35) *dumb* shall sing.

“A (36) *mighty* (37) *realm* is the land of (38) *dreams*,

With (39) *steeps* that hang in the (40) *twilight* sky,
And (41) *weltering* (42) *oceans* and (43) *trailing*
streams.

That (44) *gleam* (45) *where* the (46) *dusky* (47) *valleys* (48) *lie*.

(49) *Sulphur* is a (50) *mineral*, but not a (51) *metal*.

A (52) *solemn* (53) *group* of (54) *doomed* (55) *criminals* (56) *emerged* from the (57) *gloomy* (58) *dungeon*.

(59) *Hie* thee, (60) *guest*, to the (61) *flowery* (62) *mead* whither the (63) *busy* (64) *bees* in (65) *swarms* (66) *resort*.

(67) *Scholars* who (68) *truly* (69) *deserve* (70) *generally* (71) *receive* the (72) *meed* of (73) *praise*.

(74) *Dun* is the name (75) *applied* to a (76) *certain* (77) *sombre* (78) *color*.

Mr. (79) *Matthews*, the (80) *delegate* from (81) *Louisiana*, being (82) *thoroughly* (83) *wearied* by the (84) *fruitless* (85) *discussion*, (86) *properly* moved the (87) *previous* (88) *question*.

(89) *Character* should be more (90) *highly* esteemed than (91) *wealth*.

“May (92) *each* morn, that in (93) *succession*

(94) *Adds* new (95) *mercies* ever (96) *growing*,

(97) *Leave* a strong and deep (98) *impression*

Of my (99) *debt*, forever (100) *growing*.”

Examination XII. June 10, 1870.

(11:00 A. M.—12:00 M.)

“It was a (1) *descent* of (2) *more* than (3) *four* (4) *thousand* (5) *feet* from the (6) *summit* of (7) *those* (8) *mountains* which (9) *witnessed* the (10) *vision* of (11) *Balaam* and (12) *Moses*, to the (13) *plains* of Moab, the (14) *Scripture* (15) *name* for the (16) *eastern* side of the (17) *Jordan* (18) *Valley* at (19) *Jericho*. From the (20) *ordinary* (21) *level* of that (22) *table-land* was a descent of (23) *about* (24) *two thousand* feet. The (25) *course* of the (26) *Israelites* may be (27) *traced* with (28) *apparent* (29) *certainty* (30) *down* a (31) *ravine* which (32) *descends* from

Heshbon to the Jordan, and which (33) *still* (34) *retains* the name of the (35) *ancient* (36) *city* which (37) *lay* at its (38) *head*.

The (39) *difference* (40) *between* the (41) *upper* and (42) *lower* (43) *grounds* in (44) *respect* to (45) *soil* and (46) *climate* is as (47) *great* as can be (48) *imagined*. In (49) *aspect*, (50) *temperature*, and (51) *products*, the valley is (52) *tropical* in (53) *character*, so that the (54) *Hebrews* (55) *passed* as if into (56) *another* (57) *Zone*. In its (58) *south-ern* (59) *extremity* (60) *where* it (61) *opens* on the (62) *gloomy* (63) *mist-covered* (64) *waters* of the (65) *asphaltic* (66) *lake*, it is not (67) *less* than (68) *twelve* (69) *miles* in (70) *width*. (71) *There*, open and level on (72) *all* (73) *sides*, it (74) *forms* a (75) *space* on which (76) *many* (77) *armies* (78) *might* be (79) *encamped*. The (80) *general* (81) *direction* of the valley (82) *itself* for the (83) *sixty* miles between lake Tiberias and the (84) *Dead* (85) *Sea* is (86) *tolerably* (87) *straight*; but (88) *deep* in its (89) *very* (90) *bottom*, the river (91) *winds*—it has (92) *been* (93) *said* that it (94) *wriggles*—(95) *along* like a (96) *gigantic* (97) *serpent*, so that the (98) *length* of the valley is not sixty, but two hundred miles. The (99) *square* (100) *monotonous* range of hills that support the eastern highlands rises up on that side for nearly a hundred miles.” (*Gage’s Studies in Bible Lands.*)

Examination XIII. Nov. 11, 1870.

(11:00 A. M.—12:00 M.)

“THE STATE OF NEW YORK, (1) *one* of the (2) *thirteen* (3) *original* (4) *states* of the (5) *American* (6) *Union*, is (7) *bounded* on the north by (8) *Canada*, from which it is (9) *separated* by Lake (10) *Ontario* and the (11) *St. Lawrence*

river; east by (12) *Vermont*, (13) *Massachusetts*, and (14) *Connecticut*, from the (15) *former* of which it is separated by Lake (16) *Champlain*; south by (17) *New Jersey* and (18) *Pennsylvania*; and west by *New Jersey*, a part of *Pennsylvania* and Lake (19) *Erie*—that lake and the (20) *Niagara* river (21) *separating* it from *Canada* on the (22) *western* (23) *side*.

“From the (24) *northern* to the (25) *southern* (26) *extremity* of the state, its (27) *length* is 311 miles (28) *between* the (29) *fortieth* and forty-fifth (30) *degrees* of north (31) *latitude*, and from east to west, between the seventy-first and seventy-ninth degrees of (32) *longitude*, it (33) *extends* 412 miles, (34) *comprising* an (35) *area* of 50,519 (36) *square* miles, or 32,332,160 (37) *acres*, of which (38) *some-what* (39) *more* than one- (40) *half* is under (41) *cultivation* for (42) *agricultural* (43) *purposes*.

“Its (44) *present* (45) *population* is (46) *about* (47) *four* (48) *millions*, of whom one-fourth are of (49) *foreign* (50) *birth*, (51) *chiefly* from (52) *Ireland*, (53) *Germany*, and (54) *England*.

“It is (55) *divided* into sixty (56) *counties*, and about nine (57) *hundred* and fifty (58) *towns* and (59) *cities*. Its (60) *principal* cities, in the (61) *order* of (62) *their* population (63) *respectively*, are (64) *New York*, (65) *Brooklyn*, (66) *Buffalo*, (67) *Albany*, (68) *Rochester*, (69) *Troy*, (70) *Syracuse*, (71) *Utica*, (72) *Oswego*, (73) *Poughkeepsie*, (74) *Auburn*, (75) *Schenectady*, (76) *Hudson*, and (77) *Binghamton*. The (78) *capital* is *Albany*, on the west (79) *bank* of the *Hudson*.

“The chief (80) *rivers* of the state are the *Hudson*, (81) *Mohawk*, (82) *Delaware*, (83) *Genesee*, *Oswego*, and (84) *Susquehanna*, with the *St. Lawrence* on the north and the *Niagara* on the west. It (85) *possesses* a (86) *sea-coast* from the (87) *Atlantic* on its (88) *south-easterly* (89) *border*

(90) *along* Staten and (91) *Long Island* of 246 miles, a lake-coast of 353 miles, and 282 miles of (92) *navigable* rivers.

Its principal lakes, (93) *exclusive* of Lakes Erie, Ontario and Champlain, are Lakes (94) *George* on the east; (95) *Cayuga*, (96) *Seneca*, (97) *Canandaigua*, (98) *Crooked* and (99) *Chautauqua* on the west; and Skaneateles, (100) *Oneida* and Otsego in the center and south." Examination XIV. Feb. 24, 1871.

(1) *Leaving* (2) *Boston* on the (3) *afternoon* of (4) *Saturday*, the (5) *fifth* of (6) *February*, (7) *we* (8) *proceeded* (9) *by* (10) *another* (11) *railroad* (12) *to* (13) *Worcester*, a (14) *pretty* (15) *New England* (16) *town*, (17) *where* we had (18) *arranged* to (19) *remain* (20) *under* the (21) *hospitable* roof of the (22) *Governor* of the State, (23) *until* (24) *Monday* (25) *morning*.

(26) *These* towns and (27) *cities* of New England, (28) *many* of (29) *which* (30) *would* (31) *be* (32) *villages* in (33) *Old England*, (34) *are* as (35) *favorable* (36) *specimens* of (37) *rural* America as (38) *their* (39) *people* are of rural (40) *Americans*. The (41) *well-trimmed* (42) *lawns* and (43) *green* (44) *meadows* of home are not (45) *there*; and the (46) *grass*, (47) *compared* with (48) *our* (49) *ornamental* (50) *plots* and (51) *pastures*, is (52) *rank* and (53) *rough* and (54) *wild*; (55) *but* (56) *delicate* (57) *slopes* of land, (58) *gently* (59) *swelling* (60) *hills*, (61) *wooded* (62) *valleys*, and (63) *slender* (64) *streams* (65) *abound*; (66) *every* (67) *little* (68) *colony* of (69) *houses* (70) *has* its (71) *church* and (72) *school-house* (73) *peeping* from (74) *among*

the (75) *white* (76) *roofs* and (77) *shady* (78) *trees*; every house is the (79) *whitest* of the white; every (80) *Venetian* (81) *blind* the (82) *greenest* of the green; every (83) *fine* (84) *day's* (85) *sky* the (86) *bluest* of the (87) *blue*. (88) *All* the (89) *buildings* (90) looked as if (91) *they* had (92) *been* (93) *built* and (94) *painted* that (95) *morning*, and (96) *could* be (97) *taken* down on Monday with (98) *very* (99) *little* (100) *trouble*. “Rev. John (4) *Newton*,

(5) *Dear* (6) *Friend*:

My time is short, and my (7) *opportunity* not the most (8) *favorable*. My (9) *letter* will (10) *consequently* be short (11) *likewise*, and perhaps not (12) *very* (13) *intelligible*. I find it no very (14) *easy* (15) *matter* to bring my mind into that (16) *degree* of (17) *composure* which is (18) *necessary* to the (19) *arrangement* of (20) *either* (21) *words* or matter. You will (22) *naturally* (23) *expect* to (24) *receive* (25) *some* (26) *account* of the (27) *confusion* that I (28) *describe*. * * * On (29) *Satur-*

day (30) *night*, at (31) *eleven* (32) *o'clock*, * * I was (33) *alarmed* by a (34) *cry* of fire, (35) *announced* by two or three (36) *shrill* (37) *screams* upon our (38) *staircase*. Our (39) *servants* * * saw it from their (40) *windows*; and, in (41) *appearance*, so (42) *near*, that they (43) *thought* our house in (44) *danger*. I (45) *immediately* (46) *rose*, and (47) *putting* by the (48) *curtain*, saw (49) *sheets* of fire (50) *rising* above the (51) *ridge* of

Mr. (52) *Palmer's* house, (53) *opposite* to (54) *ours*. The (55) *deception* was such that I had no (56) *doubt* it had begun with him, but, (57) *soon* found that it was rather farther (58) *off*. Having broken out in three (59) *different* parts, it is (60) *supposed* to have been (61) *maliciously* (62) *kindled*. A (63) *tar-barrel* and a (64) *quantity* of (65) *tallow* made a most (66) *tremendous* (67) *blaze*; and the (68) *buildings* it had (69) *seized* upon being all (70) *thatched*, the (71) *appearance* became every (72) *moment* more (73) *formidable*. (74) *Providentially*, the night was (75) *perfectly* (76) *calm*, so calm that (77) *candles*, (78) *without* (79) *lanterns*, of which there were (80) *multitudes* in the (81) *street*, burned as (82) *steadily* as in the house. *

* Every man who supposed his (83) *dwelling* in (84) *jeopardy*, (85) *emptied* it as fast as he could, and (86) *conveyed* his (87) *movables* to the house of some (88) *neighbor*, supposed to be more (89) *secure*. * *

(90) *George* ——— is the (91) *principal* (92) *sufferer*. He gave (93) *eighteen* (94) *guineas*, or (95) *nearly* that sum, to a woman, whom in his (96) *hurry*, he (97) *mistook* for his wife; but the supposed wife (98) *walked* off with the (99) *money*, and he will probably never (100) *recover* it." * *

Yours, my dear friend,

WILLIAM COWPER.

VALUE OF THE FEDERAL UNION.—*Webster.*

I (1) *profess*, (2) *sir*, in in my (3) *career*, (4) *hitherto*, to (5) *have* (6) *kept* in (7) *view* the (8) *prosperity* and (9)

honor of the (10) *whole* (11) *country*, and the (12) *preservation* of (13) *our* (14) *Federal* (15) *Union*. It is to that Union we (16) *owe* our (17) *safety* at (18) *home*, and our (19) *consideration* and (20) *dignity* (21) *abroad*; to that Union we are (22) *chiefly* (23) *indebted* for (24) *whatever* (25) *makes* us (26) *proud* of our country. That Union we (27) *reached* (28) *only* by the (29) *discipline* of our (30) *virtues* in the (31) *severe* (32) *school* of (33) *adversity*. It has had its (34) *origin* in the (35) *necessities* of (36) *disordered* (37) *finance*, (38) *prostrate* (39) *commerce*, and (40) *ruined* (41) *credit*. Under its (42) *benign* (43) *influence* (44) *these* (45) *great* (46) *interests* (47) *immediately* (48) *awoke*, as from the (49) *dead*, and (50) *sprang* (51) *forth* with (52) *newness* of life. (53) *Every* (54) *year* of its (55) *duration* has (56) *teemed* with (57) *fresh* (58) *proofs* of its (59) *utility* and its (60) *blessings*; and (61) *although* our (62) *territory* has (63) *stretched* (64) *out* (65) *wider* and *wider*, and our (66) *population* (67) *spread* (68) *farther* and *farther*, (69) *they* have not (70) *outrun* its (71) *protection* or its (72) *benefits*. It has (73) *been* to us (74) *all* a (75) *copious* (76) *fountain* of (77) *national*, (78) *social*, (79) *personal* (80) *happiness*.

* * I have not (81) *accustomed* (82) *myself* to (83) *hang* over the (84) *precipice* of disunion, to (85) *see* (86) *whether*, with my short (87) *sight*, I can (88) *fathom* the (89) *depth* of the (90) *abyss* (91) *below*; nor (92) *could* I regard him as a safe (93) *counselor* in the (94) *affairs* of his (95) *government*, whose (96) *thoughts* should be (97) *mainly* bent on (98) *considering*, not how the Union should be best (99) *preserved* but how tolerable might be the condition of the people when it shall be broken up and (100) *destroyed*.

Examination XVII. Feb. 28, 1872.

(11:00 A. M.—12:00 M.)

The (1) *great* (2) *object* of all (3) *knowledge* is to enlarge

and purify the (4) *soul*, to fill the mind with (5) *noble* contemplations, and to furnish a refined (6) *pleasure*. (7) *Considering* this as the ultimate end of (8) *science*, no branch of it can surely (9) *claim* (10) *precedence* of (11) *astronomy*. * * *

Much, however, as we are (12) *indebted* to our (13) *observations* for (14) *elevating* our (15) *conceptions* of the (16) *heavenly* (17) *bodies*, they present even to the (18) *unaided* (19) *sight* (20) *scenes* of glory, which words are (21) *too* (22) *feeble* to (23) *describe*. I had (24) *occasion*, a few weeks since, to take the (25) *early* (26) *train* from (27) *Providence* to (28) *Boston*; and for this (29) *purpose* rose at (30) *two* o'clock in the morning * * * It was a mild, (31) *serene*, midsummer's (32) *night*,—the sky was without a (33) *cloud*—the winds were (34) *whist*. The moon, then in the last (35) *quarter*, had just (36) *risen*, and the stars shone with a spectral (37) *lustre*, but (38) *little* (39) *affected* by her (40) *presence*. (41) *Jupiter*, two (42) *hours* high, was the herald of the day; the Pleiades just above the (43) *horizon* shed (4) *their* sweet (45) *influence* in the east; Lyra (46) *sparkled* (47) *near* the Zenith; Andromeda (48) *veiled* her newly (49) *discovered* (50) *glories* * * * in the (51) *south*; the (52) *steady* (53) *pointers* far beneath the pole looked meekly up from the (54) *depths* of the north to their (55) *sovereign*.

Such was the glorious (56) *spectacle* as I entered the train. As we (57) *proceeded*, the timid (58) *approach* of (59) *twilight* became more (60) *perceptible*; the (61) *intense* (62) *blue* of the sky began to (63) *soften*; the (64) *smaller* stars, like little (65) *children*, went first to rest, the sister-beams of the (66) *Pleiades* soon melted together; but the (67) *bright* (68) *constellations* of the west and north (69) *remained* unchanged. Steadily the (70) *wondrous* transfiguration went on. * * * The blue sky now

turned more softly (71) *gray*; the great watch stars shut up their holy eyes; the east began to (72) *kindle*. Faint (73) *streaks* of (74) *purple* soon blushed along the sky; the (75) *whole* (76) *celestial* (77) *concave* was filled with the inflowing tides of the morning light, which came (78) *pouring* down from above in one great (79) *ocean* of (80) *radiance*. * * In a few (81) *seconds*, the

everlasting gates of the morning were (82) *thrown* wide open, and the Lord of day, (83) *arrayed* in glories too (84) *severe* for the gaze of man, began his state.

I do not (85) *wonder* at the (86) *superstition* of the (87) *ancient* Magians, who in the morning of the world went up to the hill tops of Central (88) *Asia*, and, ignorant of the (89) *true* God, adored the most glorious work of his hand; but I am filled with (90) *amazement*, when I am told that in this (91) *enlightened* age, and in the (92) *heart* of the (93) *Christian* world, (94) *there* are (95) *persons* who can (96) *witness* this (97) *daily* (98) *manifestation* of the (99) *power* and wisdom of the (100) *Creator*, and yet say in their hearts, "There is no God."

EDWARD EVERETT.

Examination XVIII. June 7, 1872.

(11:00 A. M.—12:00 M.)

PATIENCE—SPURGEON.

(1) *Patience* is (2) *better* than wisdom; an (3) *ounce* of patience is worth a pound of (4) *brains*. All men (5) *praise* patience, but few (6) *enough* can practice it; it is a (7) *medicine* which is good for all (8) *diseases*, and therefore every old woman (9) *recommends* it; but it is not every garden that grows the (10) *herbs* to make it with. When one's flesh and bones are full of (11) *aches* and (12)

pains, it is as (13) *natural* for us to (14) *murmur* as for a horse to shake his head when the (15) *flies* (16) *tease* him, or a wheel to (17) *rattle* when the spoke is loose; but nature should not be the rule with (18) *Christians*, or what is their (19) *religion* worth? If a (20) *soldier* fights no better than a ploughboy, (21) *off* with his red (22) *coat*. We (23) *expect* more (24) *fruit* from an (25) *apple-tree*, than from a (26) *thorn*, and we have a (27) *right* to do so. The (28) *disciples* of a patient (29) *Saviour* (30) *should* be patient (31) *themselves*. Grin and (32) *bear* it, is the (33) *old-fashioned* (34) *advice*, but sing and bear it is a (35) *great* (36) *deal* better. After all, we get (37) *very* few cuts of the (38) *whip* (39) *considering* what bad (40) *cattle* we are, and when we do smart a little, it is (41) *soon* over. Pain past is (42) *pleasure*, and (43) *experience* comes by it. We (44) *ought* not to be (45) *afraid* of going down into (46) *Egypt* when we know we shall come out of it with (47) *jewels* of silver and gold.

Impatient (48) *people* water their (49) *miseries*, and (50) *hoe* up their (51) *comforts*; (52) *sorrows* are (53) *visitors* that come without (54) *invitation*, but* (55) *complaining* minds send a (56) *wagon* to bring (57) *troubles* home in. (58) *Many* people are born (59) *crying*, live complaining and (60) *die* (61) *disappointed*; they (62) *chew* the (63) *bitter* pill which they (64) *would* not even know to be bitter if they had the (65) *sense* to (66) *swallow* it (67) *whole* in a cup of patience and water. They think every other man's (68) *burden* to be (69) *light*, and their own (70) *feathers* to be (71) *heavy* as (72) *lead*; they are hardly done by in their own (73) *opinion*; no one's (74) *toes* are so often (75) *trodden* on as (76) *theirs*; the snow falls (77) *thickest* round their (78) *door*, and the hail (79) *rattles* hardest on their (80) *windows*; and yet if the truth were (81) *known*, it is their (82) *fancy* rather than their fate

which makes things go so hard with them. A little sprig of the herb called (83) *content* put into the (84) *poorest* (85) *soup* will make it taste as rich as the Lord Mayor's (86) *turtle*. John (87) *Ploughman* (88) grows the plant in his garden, but the late hard winter (89) *nipped* it (90) *terribly*, so that he cannot (91) *afford* to give his (92) *neighbors* a slip of it; they had better (93) *follow* (94) *Matthew*, xxv, 9, and go to those who sell and (95) *buy* for themselves. (96) *Grace* is a good (97) *soil* to grow it in, but it wants (98) *watering* from the (99) *fountain* of (100) *mercy*.

Examination XIX. Nov. 10, 1877.

(11:00 A. M.—12.00 M.)

EXERCISE.

We, the (1) *People* of the (2) *State* of (3) *New York*, (4) *grateful* to (5) *Almighty* God for (6) *our* (7) *freedom*, in (8) *order* to (9) *secure* its (10) *blessings*, do (11) *establish* this (12) *constitution*.

(13) *Article I.*

(14) SEC. 1. (15) *No* (16) *member* of this state (17) *shall* be (18) *disfranchised* or (19) *deprived* of (20) *any* of the (21) *rights* or (22) *privileges* secured to any (23) *citizen* (24) *thereof*, (25) *unless* by the (26) *law* of the land, or the (27) *judgment* of his (28) *peers*.

SEC. 2. (29) *Trial* by (30) *jury* in (31) *all* (32) *cases* in (33) *which* it (34) *has* (35) *been* (36) *heretofore* (37) *used* shall (38) *remain* (39) *inviolable* (40) *forever*, but a jury trial may be (41) *waived* by the (42) *parties* in all (43) *civil* cases, in the (44) *manner* (45) *prescribed* by law.

SEC. 3. The (46) *free* (47) *exercise* and (48) *enjoyment*

of (49) *religious* (50) *profession* and (51) *worship*, (52) *without* (53) *discrimination* or (54) *preference*, shall forever be (55) *allowed* in this state to all (56) *mankind*; and no (57) *person* shall be (58) *rendered* (59) *incompetent* to be a (60) *witness* on (61) *account* of his (62) *opinions* on (63) *matters* of religious (64) *belief*; but the (65) *liberty* of (66) *conscience* (67) *hereby* secured shall not be so (68) *construed* as to (69) *excuse* (70) *acts* of (71) *licentiousness*, or (72) *justify* (73) *practices* (74) *inconsistent* with the (75) *peace* or (76) *safety* of this State.

SEC. 4. The privilege of the (77) *writ* of (78) *habeas* (79) *corpus* shall not be suspended unless (80) *when* in cases of (81) *rebellion* or (82) *invasion*, the (83) *public* safety may (84) *require* its (85) *suspension*.

Examination XX. Feb. 28, 1873.

(11:00 A. M.—12:00 M.)

EXERCISE.

(1) *Once* upon a (2) *midnight* (3) *dreary*, (4) *while* I (5) *pondered*, (6) *weak* and (7) *weary*,
 Over (8) *many* a (9) *quaint* and (10) *curious* (11) *volume* of (12) *forgotten* (13) *lore*,—
 While I (14) *nodded*, (15) *nearly* (16) *napping*, (17) *suddenly* (18) there came a (19) *tapping*,

As of some (20) *one* (21) *gently* (22) *rapping*, rapping at
my (23) *chamber* (24) *door*;

“ ’Tis some (25) *visitor*, ” I (26) *muttered*, “ tapping at my
chamber door,—

Only this, and (27) *nothing* more.”

Ah ! (28) *distinctly* I (29) *remember*, it was in the (30) *bleak*
(31) *December*,

And (32) *each* (33) *separate* (34) *dying* (35) *ember* (36)
wrought its (37) *ghost* upon the (38) *floor*.

(39) *Eagerly* I (40) *wished* the (41) *morrow*; (42) *vainly* I
had (43) *sought* to (44) *borrow*,

From my (45) *books*, surcease of (46) *sorrow*,—sorrow for
the (47) *lost* Lenore,—

For the (48) *rare* and (49) *radiant* (50) *maiden* (51) *whom*
the (52) *angels* name Lenore,—

(53) *Nameless* (54) *here* (55) *forevermore*.

(56) *Back* into the chamber (57) *turning*, (58) *all* my (59)
soul within me (60) *burning*,

(61) *Soon* (62) *again* I (63) *heard* a tapping, (64) *something*
(65) *louder* than (66) *before*;

(67) “ Surely ” (68) *said* I,—“ surely that is something at
my (69) *window* (70) *lattice*;

Let me (71) *see* then, (72) *what* thereat is, and this (73)
mystery (74) *explore*,—

Let my (75) *heart* be (76) *still* a (77) *moment*, and this
mystery explore ;—

’Tis the (78) *wind*, and nothing more.’

Open here I (79) *flung* the (80) *shutter*, (81) *when*, with
many a (82) *flirt* and (83) *flutter*,

In there (84) *stepped* a (85) *stately* (86) *raven* of the (87)
saintly (88) *days* of (89) *yore*.

Not the (90) *least* (91) *obeisance* made he ; not a (92)
minute (93) *stopped* or (94) *staid* he ;

But with (95) *mien* of (96) *lord* or (97) *lady*, (98) *perched* above my chamber door;—

Perched upon a (99) *bust* of Pallas, (100) *just* above my chamber door,—

Perched and sat, and nothing more.

Examination XXI. June 6, 1873.

(11:00 A. M.—12 M.)

EXERCISE.

(1) *When*, in the (2) *course* of (3) *human* (4) *events*, it (5) *becomes* (6) *necessary* for (7) *one* (8) *people* to (9) *dissolve* the (10) *political* (11) *bands* which have (12) *connected* them with (13) *another*, and to (14) *assume*, (15) *among* the (16) *powers* of the (17) *earth*, the (18) *separate* and (19) *equal* (20) *station* to which the (21) *laws* of (22) *nature* and of nature's God (23) *entitle* them. a (24) *decent* (25) *respect* to the (26) *opinions* of mankind (27) *requires* that they (28) *should* (29) *declare* the causes which (30) *impel* them to the (31) *separation*.

We hold (32) *these* (33) *truths* to be (34) *self-evident*, that all men are (35) *created* equal; that they are (36) *endowed* by (37) *their* (38) *Creator* with (39) *certain* (40) *unalienable* (41) *rights*; that (42) *among* these are life, liberty and the (43) *pursuit* of (44) *happiness*. That to (45) *secure* these rights, (46) *governments* are (47) *instituted* among men, (48) *deriving* their just (49) *powers* from the (50) *consent* of the (51) *governed*; that whatever any form of government becomes (52) *destructive* of these ends, it is the right of the people to (53) *alter* or to (54) *abolish* it, and to institute a (55) *new* government, (56) *laying* its (57) *foundation* on such (58) *principles*, and (59) *organizing* its powers in such form, as to them shall (60) *seem* most (61) *likely* to

(62) *effect* their (63) *safety* and happiness. (64) *Prudence*, (65) *indeed*, will (66) *dictate* that governments long established, (67) *should* not be (68) *changed* for (69) *light* and (70) *transient* causes; and (71) *accordingly*, all (72) *experience* hath (73) *shown*, that mankind are more (74) *disposed* to suffer, while (75) *evils* are (76) *sufferable*, than to right (77) *themselves* by (78) *abolishing* the forms to which they are (79) *accustomed*. But when a long (80) *train* of (81) *abuses* and (82) *usurpations*, (83) *pursuing* (84) *invariably* the same (85) *object*, (86) *evinces* a (87) *design* to (88) *reduce* them under (89) *absolute* (90) *despotism*, it is their right, it is their duty, to (91) *throw* (92) *off* such government, and to (93) *provide* new (94) *guards* for their (95) *future* (96) *security*. Such has been the (97) *patient* (98) *sufferance* of these (99) *colonies*, and such is now the necessity which (100) *constrains* them to alter their former system of government.

Examination XXII. Nov. 7, 1873.

(11:00 A. M.—12:00 M.)

EXERCISE—FABLE OF THE ANT AND THE GRASSHOPPER.

In the (1) *winter* (2) *season*, a (3) *commonwealth* of (4) *Ants* was (5) *busily* (6) *employed* in the (7) *management* and (8) *preservation* of (9) *their* (10) *corn*, which (11) *they* (12) *exposed* to the (13) *air* in (14) *heaps* (15) *about* the (16) *avenues* of their (17) *little* (18) *country* (19) *habitation*. A (20) *grasshopper* who had (21) *chanced* to (22) *outlive* the (23) *summer*, and was (24) *ready* to starve with cold and (25) *hunger*, (26) *approached* them with (27) *great* (28) *humility*, and (29) *begged* that (30) *they* (31) *would* (32) *relieve* his (33) *necessity* with (34) *one* (35) *grain* of (36) *wheat* or (37) *rye*. One of the Ants (38) *asked* him, how

he had (39) *disposed* of his time in summer, that he had not taken (40) *pains* and (41) *laid* in a (42) *stock* as they had (43) *done*. (44) "*Alas*, (45) *gentlemen*," (46) *says* he, "I (47) *passed* away the time (48) *merrily* and (49) *pleasantly* in (50) *drinking*, (51) *singing*, (52) *dancing*, and (53) *never* (54) *once* (55) *thought* of winter." "If that be the case," (56) *replied* the ant, (57) *laughing*, (58) "*all* I have to say, is, that they who drink, sing and dance in summer, must starve in winter."

MORAL.

As summer is the season of the (59) *year* in which the (60) *husbandman* (61) *gathers* such (62) *fruits* as may (63) *supply* his (64) *necessities* in winter, so (65) *youth* and (66) *manhood* (67) *should* be (68) *chiefly* (69) *occupied* in (70) *providing* such (71) *necessaries* as may (72) *suffice* for the (73) *craving* (74) *demands* of (75) *helpless* old age. Yet (76) *many* of (77) *those* (78) *whom* we call (79) *rational* (80) *creatures* live in (81) *quite* the (82) *opposite* (83) *way*, (84) *making* it their (85) *business* to (86) *squander* whatever they may have (87) *acquired*; as if the (88) *feebleness* of age would (89) *need* no (90) *supplies* to (91) *support* it; or, at (92) *least*, would have them (93) *furnished* in (94) *some* (95) *miraculous* (96) *manner*.

From this fable we (97) *learn* this (98) *lesson*, never to lose any (99) *opportunity* of providing against the future evils and (100) *accidents* of life.

Examination XXIII. Feb. 27, 1874.

(3:15 A. M.—4:15 M.)

EXERCISE.

(1) *Daniel* (2) *Webster* was (3) *great* in all the (4) *elements* of his (5) *character*: great in (6) *original* (7)

mental (8) *strength*; great in (9) *varied* and vast (10) *acquirements*; great in (11) *quick* and and (12) *keen* (13) *perception*; great in (14) *subtle*, (15) *logical* (16) *discrimination*; great in (17) *force* of (18) *thought*; great in (19) *power* of (20) *intense* and (21) *rigid* (22) *analysis*; great in rare and (23) *beautiful* (24) *combination* of (25) *talents*; great in (26) *ability* to (27) *command* his powers; great in (28) *range* and (29) *acuteness* of (30) *vision*, for he (31) *could* (32) *see* like a (33) *prophet*. (34) *Hence* his (35) *decision* of character; his bold, (36) *manly*, (37) *independent* though; his (38) *whole* (39) *sovereignty* of mind.

No man (40) *probably* ever lived, who could (41) *calculate*, with such (42) *mathematical* (43) *certainty*, the (44) *separate* (45) *effect* of (46) *human* (47) *actions*, or the (48) *intricate*, (49) *combined*, and (50) *complicated* (51) *influence* of (52) *every* (53) *movement*, (54) *social*, (55) *political* or (56) *personal*. He could (57) *define* and (58) *determine* the (59) *very* (60) *destiny* of influence. This is the (61) *key* to the (62) *problem* of his (63) *greatness*, an (64) *explanation* of the (65) *miracle* of his power. We are (66) *proud* of his greatness, (67) *because* it is (68) *American*, (69) *wholly* American! The very (70) *impulses* of his (71) *heart* were American.

The (72) *spirit* of American (73) *institutions* had (74) *infused* itself into his life--had (75) *become* a part of his being. He was proud of his (76) *country*; proud of her (77) *commerce*; her art and (78) *science*; her (79) *wealth*, (80) *resources* and labor; and all in turn were proud of him. His (81) *patriotism* was not (82) *bounded* by the (83) *narrow* (84) *limits* of (85) *sectional* (86) *interest* nor (87) *hemmed in* by state lines, nor (88) *regulated* by local (89) *policy*. It was as (90) *broad* as his country. He (91) *knew* a North and a (92) *South*, an East and a West; but he knew them only as one—"One and (93) *inseparable*!"

As a (94) *forsenic* (95) *orator*, I know of no age which can boast his (96) *superior*. He united the boldness and energy of the (97) *Grecian*, and the (98) *grandeur* and strength of the Roman, to an original (99) *simplicity* which neither Grecian nor Roman (100) *possessed*.

Examination XXIV. June 5, 1874.

(3:15—4:15 P. M.)

EXERCISE.

The (1) *lesson* will (2) *begin* at the (3) *beginning* of the (4) *treatise*.— (5) *Sets* of (6) *apparatus* are (7) *necessary* for the (8) *illustration* of the (9) *physical* (10) *sciences*.— On the (11) *eighth* of (12) *February*, a (13) *Connecticut* (14) *peddler*, (15) *wearing a* (16) *suit* of (17) *gray* (18) *clothing*, (19) *displayed* his (20) *wares* in an (21) *avenue* of (22) *Cincinnati*.—The (23) *plane* of the (24) *horizon* is (25) *horizontal*.—(26) *Joseph's* (27) *brethren* sold him to the (28) *Ishmaelites*.—The (29) *oak* is a (30) *symbol* of strength: the *vine*, of (31) *dependence*: the (32) *cypress*, of (33) *sorrow*: the *elm*, of (34) *elegance*: the (35) *fir*, of (36) *symmetry*; and, as an evergreen, of (37) *immortality*.—(38) *Fur* is warm but costly (39) *apparel*.—The (40) *Missouri* river empties into the (41) *Mississippi*.—Strike the loud (42) *cymbal*.—The (43) *judge* of the supreme court (44) *affirmed* the (45) *judgment* of the lower (46) *tribunal*.—(47) *Ladies* and (48) *gentlemen*, the (49) *programme* will open with a (50) *quartette* and (51) *chorus*.—A (52) *council* of war was called, and the general (53) *counseled* with the (54) *colonels* and (55) *civilians* present.

“He looked and saw a (56) *spacious* (57) *plain* whereon Were tents of various (58) *hue*; by some were (59) *herds*

(82) *Reading*, (83) *Spelling*, (84) *Writing*, (85) *Arithmetic*,
(86) *Grammar* and (87) *Geography* are very important
branches of (88) *education*.—James and (89) *two* other
boys were (90) *there*.—The (91) *schooner* was lost at (92)
sea, (93) *off* Cape (94) *St. Roque*.—(95) *Their* eyes (96)
see clearly.—From (97) *scenes* like these old Scotia's
(98) *grandeur* springs.—(99) "*Vanity* of (100) *vanities*,
